 - Oregon Careers 2007 Activity Guide
<http://www.qualityinfo.org/pubs/careers/guide.pdf>

(The CAREERS 2007 Activities Guide contains 13 activities, each associated with particular sections of the CAREERS. Answers to the activities are available by email. Please contact Brenda.P.Turner@state.or.us to obtain the teacher's answer guide, or if you have any questions regarding the Activities Guide.)

- Oregon Employment Projections by Occupation
<http://www.qualityinfo.org/pubs/occpro/05/occproj.pdf>

The Employment Department periodically projects occupational trends for the state. The data collected from a three-year employer survey of occupational staffing patterns has been combined with the economic analysis of industrial employment levels and employment patterns to produce the *Occupational Projections* from 2004-2014.

(To order copies, contact Curtis Thrapp at 503-947-1204 or email at curtis.m.thrapp@state.or.us)

- Oregon Wage Information
<http://www.qualityinfo.org/pubs/owi/owi2007.pdf>

The 2007 edition of *Oregon Wage Information* provides wage data for hundreds of occupations (200 pages). It offers a broad spectrum of wage rates from many sectors of Oregon's economy, and is designed to assist job seekers, employers, career planners, industrial developers, and others needing Oregon wage rates for specific occupations.

(To order copies, contact Curtis Thrapp at 503-947-1204 or email at curtis.m.thrapp@state.or.us)
