

# FLIPPED MODEL CLASSROOM

ORVA

Flipping a traditional classroom in a digital environment.

## The Components

**WSV**

Weekly Starter Video  
Key content for the week

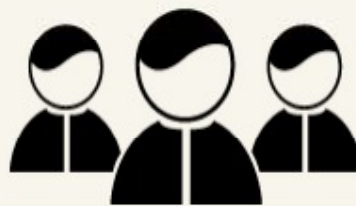

WSQ

Weekly Starter Quiz to check for understanding of the video

**CC**

Class Connect Session  
Live interactive class

**OTT**

On Track Together  
Live help & differentiation

Inspires student centered learning

Provides students with tools to access what they miss and learn at their own speed.

Stimulates collaborative interactions

## How to flip

Flipping takes key content knowledge and puts it in student controlled videos. Live class time used for active application of knowledge.

Create short content videos for students to watch Monday morning

Facilitate active and engaging live lessons

Use targeted interventions to reach struggling students
