

MT. ANGEL SCHOOL DISTRICT STRATEGIC PLAN GUIDING POINTS FOR 2017-2022

I. District Beliefs and Values:

The Mt. Angel School District:

1. Embraces diversity and believes we are stronger together;
2. Recognizes success achieved through personal development, inquiry and relevant experiences;
3. Honors the culture and traditions of our small community through involvement and volunteerism;
4. Believes communication is essential to collaborative relationships that foster growth;
5. Values a systematic approach that supports students in their relentless pursuit of academic excellence; and
6. Develops, models and celebrates virtuous citizenship.

II. District Mission Statement:

We develop virtuous students who honor Mt. Angel's diverse culture and inspire their pursuit of academic success.

III. District Vision Statement:

We provide exceptional educational experiences that inspire, challenge and prepare each student to achieve personal and academic success.

V. District Goal:

By June of 2022, all students will be on track to graduate and be prepared with a plan for life beyond high school.
