 3. All courses must be approved, by the Superintendent, if the member wishes to seek reimbursement.
 4. Upon completion of the course, the member will provide a copy of their transcripts and a district reimbursement form.
 5. The superintendent can authorize spending the \$1,500 for a member, prior to their completion of the course, if the tuition payment will create a hardship for the member.
 6. All reimbursement requests must be made prior to June 1st, of the current school year.
 7. The District will pay the full cost of tuition for any class or course which it requires a teacher to take.
- C. Professional Improvement and Curriculum Development. The District may provide remuneration and/or expenses to teachers to participate in curriculum development work or professional improvement activities that are presented to and approved by a Principal. The final decision regarding the type and amount of reimbursement rests with the Superintendent.
- D. New Teachers. If the District hires a teacher who is also new to the profession, up to 30 hours of release time shall be granted by the building administrator for the purpose of providing mentoring assistance to the new teacher. This release time may be used to obtain a substitute for either the new teacher or the person providing mentoring assistance.
1. No teacher shall be designated as a mentor teacher unless willing to perform in that role.
 2. Teachers may apply for a mentor teacher position. Applications shall be submitted to the office of the Superintendent.
 3. No mentor teacher shall be assigned more than one beginning teacher annually.
 4. The mentor teacher shall be responsible for fulfilling all regular teaching and duty assignments. Service as a mentor teacher is to be regarded as being in addition to, not in lieu of, regular duties and responsibilities.

E. Professional Leave.

1. In addition to the statewide In-Service Day, two days of professional leave with full pay may be authorized by the District for attending educational conferences, meetings, workshops and conducting educational observations. Professional leave shall not be cumulative from one school year to the next.
2. In the event the District requests that a teacher attend a conference, registration costs and accommodation expenses will be paid by the District.

F. Reimbursement of Travel Expenses.

1. Teachers who are required in the course of their work to drive personal automobiles from one District school building to another on a daily basis shall be reimbursed for mileage at the IRS rate in effect at the time. Such rate shall be authorized for use of personal automobiles on field trips or other business of the District. Teachers who voluntarily drive students to school activities, with advance approval of their building principal, shall be compensated at the same rate.
2. The District will pay mileage at the approved IRS rate, registration costs, meals and accommodation expenses for any teacher attending a workshop or conference at the District's request or with District approval if funds are available.

G. Curriculum Collaboration Team. A committee of elected Licensed Teacher representatives [(2 from Elementary (K-5)/2 from Middle (6-8), and 2 from High School (9-12)] and two elected Classified representatives shall meet with Building Principals and the Superintendent quarterly to review student achievement and behavior data, apply Building level Improvement Plans to a District Improvement Plan, and to determine the schedule of professional development for the school year.

Minutes will be kept at each meeting and shared with all staff, the Board of Directors, and interested parties. Public notice will be made of each meeting and the full staff and community are invited to observe.

The District retains ultimate authority in the finalization of the Continuous Improvement Plan that is to be submitted to Oregon Department of Education.

H. Calendar Committee: The development of the forthcoming school year's calendar will be drafted by the administrative team and two members of the bargaining unit. A member from each district campus will be represented on the committee.

ARTICLE 11 - GRIEVANCE PROCEDURES

A. Definitions.

The intent of all grievances is to settle the matter at the lowest level of administration.

1. Grievance: A grievance shall mean a complaint by a teacher or group of teachers:
 - a. That there has been to him/her (or them) a violation of this Agreement; or
 - b. School Board or administrative decisions of unfair or inequitable treatment affecting teacher working conditions which shall not be subject to binding arbitration or to an unfair labor practice complaint for breach of contract. They may be appealed up to and including Level Three (Appeals to the Board). The Board's decision is final and binding on all parties.
2. "Grievant" is the person or persons who are presenting the claim.

3. "Days": The term "days" as used in this Article, except where otherwise noted, shall refer to business days (Monday through Friday).
 4. "Party in Interest" is either the person or persons making the complaint or the person or persons against whom the complaint is made.
- B. Purpose. The purpose of this procedure is to secure, at the lowest level, an orderly and timely method for solving grievances. Both parties agree that these proceedings should be kept informal and confidential as may be appropriate at any level of the procedure.
- C. General Procedures.
1. These procedures should be processed as rapidly as possible; the number of days indicated for settlement or appeal at each level should be considered a maximum. The time limits can be extended by written mutual consent of the parties involved at any level of the procedures.
 2. All parties should attempt to complete the procedures by the end of the school year. The parties shall make a good faith effort to shorten the number of days provided at the various steps in order to finish by the end of the school year and avoid, if possible, carrying the process into the summer vacation period or the following school year.
 3. All parties in interest have a right to consultants or representatives of his own choosing at each level of these grievance procedures. This is to be completed within 2 business days or 5 calendar days, whichever is shorter.
 4. There shall be no restraint, interference, discrimination or reprisal exerted on any employee choosing to use these procedures for resolution of grievances, nor shall there be any slowdowns or withholding of services by the grievant for not receiving full satisfaction from the grievance procedure.
 5. Failure at any level of this procedure by the grievant to appeal a grievance to the next level within the specified time limits shall be deemed to be acceptance of the decision rendered at that level. Failure at any level of this procedure to communicate the decision in writing on a grievance within the specified time limits shall permit the grievant to proceed to the next level.
 6. Each grievance shall have to be initiated within ten days after the occurrence of the cause for the complaint; however, if the grievant did not become aware of the occurrence until a later date, then action shall be initiated within ten days following the first knowledge of the cause. By failing to thus initiate action, the person may be considered to have no reasonable grievance.
 7. All documents, communications and records of a grievance will be filed separately from the personnel files.
 8. If any member of the teacher's grievance committee is a party in interest to any grievance, he/she should not serve as an official representative in the processing of such a grievance. Furthermore, if a grievance is brought against a district principal or Superintendent, he/she should not serve as an official representative in the process of the grievance. The grievance should be moved to the next level of the grievance procedure in order to avoid any conflict of interest.
 9. Every effort will be made by all parties to avoid interruption of classroom and/or other school sponsored activities.
 10. Every effort will be made by all parties to avoid the unnecessary involvement of students in the grievance procedure.

11. Each party shall be responsible for their own costs incurred at each level of the grievance procedure.
12. The grievance procedure will not be used while that grievance is under the jurisdiction of the courts, has been submitted to the administrative or judicial process or is pending before the Employment Relations Board.

D. Levels of Grievance.

1. Level One: Informal and Formal Grievance Level.

- a. The grievant will first discuss his/her grievance with the building principal, either individually or accompanied by a representative, with the objective of resolving the matter informally. If the grievance pertains to the matters outside the scope and supervision of the building Principal, the informal meeting will be held with the Superintendent. The objective of the informal meeting is to resolve the matter informally.
- b. If the grievant is not satisfied with the disposition of his/her grievance, he/she may file a written formal grievance with the Principal within ten days following the act or condition which is the basis of his/her complaint or, if the grievant had no knowledge of said occurrence at the time it happened, then within ten days of the first such knowledge. If the grievance pertains to matters outside the scope and supervision of the principal, the formal grievance will be filed with the Superintendent.
- c. The Principal shall communicate his decision in writing *within ten business days* to the grievant. If the grievant is not satisfied with the decision rendered by the Principal (or Superintendent), the grievant must request in writing within 10 business days to move the matter to level Two.

2. Level Two: Superintendent's level.

- a. The grievant will first discuss the grievance with the Superintendent, either individually or accompanied by a representative, with the objective of resolving the matter informally. Within ten business days, the superintendent will hold a hearing with the grievant and the administrator involved, to review the written grievance and the response.
- b. If the grievant is not satisfied with the disposition of the grievance, the grievant may file a written formal grievance with the Superintendent within ten days following the act or condition which is the basis of the complaint, or, if the grievant had no knowledge of said occurrence at the time of its happening, then within ten days of the first such knowledge.
- c. This complaint shall set forth the contract provision alleged to have been violated, the remedy requested and a brief statement of facts. Superintendent will provide a written response regarding the decision within ten business days.
- d. The Superintendent shall communicate the decision in writing within ten business days to the grievant. If the grievant is not satisfied with the decision rendered by the Principal (or Superintendent) the grievant must request in writing within 10 business days to move the matter to Level Three. If the Superintendent is a party of interest in the grievance, the grievance will be moved to Level three of the grievance procedure.

3. Level Three: Appeals to the Board.

- a. If the grievant is not satisfied with the decision of the Superintendent, he/she may file a written appeal with the Board within ten business days of the receipt of the Superintendent's decision.

- b. The appeal shall state the grievant's reasons for appealing the decision of the Superintendent. The appeal shall include the original grievance and the written disposition of the case from the Superintendent.
 - c. Within 15 school days of the receipt of the grievance, the Board shall hear arguments of the Superintendent and the grievant with representation if desired. Within ten business days following the hearing, the Board shall render a decision in writing to all official parties.
4. Level Four: Binding Arbitration.
- a. If, after ten days, the grievant is not satisfied with the disposition of the grievance at Level Three, the grievant may request in writing to the Superintendent that the grievance be submitted to binding arbitration. The Association must concur in writing with this demand for arbitration. Except as otherwise expressly provided in this Agreement, the arbitration hearing will be conducted in accordance with the Voluntary Labor Arbitration Rules of the American Arbitration Association in effect at the time (hereinafter referred to as the "AAA Rules".)
 - b. Within ten school days after such written notice of submission to arbitration, the Superintendent and the Association will attempt to agree upon an impartial and mutually acceptable arbitrator and obtain a commitment from such arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such commitment within the ten-day period, a request for a list of five arbitrators may be made to the Employment Relations Board by either party. Upon receipt of the list, the parties will flip a coin to determine which party strikes first. Thereafter, the other party will strike one name and the parties will alternate back and forth until one name remains. That person will be selected as the arbitrator.
 - c. The arbitrator so selected will confer with the representatives of the Superintendent and the grievant, hold hearings promptly and shall issue a decision not later than 30 days from the date of the close of the hearings under the following conditions:
 - i. The arbitrator shall have no authority except to pass upon alleged violations of the express provisions of this Agreement, as set forth in subsection a, 1, above.
 - ii. The arbitrator shall construe this Agreement in a manner which does not interfere with the exercise of the District's rights and responsibilities, except to the extent that such rights and responsibilities may be expressly limited by the terms of this Agreement.
 - iii. The arbitrator shall have no power or authority to add to, subtract from or modify any of the terms of this Agreement.
 - d. The arbitrator's decision shall be in writing and shall set forth findings of fact, reasoning and conclusions on the issue submitted. Copies of the decision shall be submitted to the parties of interest.
 - e. The decision of the arbitrator shall be binding upon the parties provided the decision is within the jurisdiction of the arbitrator. The arbitrator's fees and expenses as well as the cost of any hearing room will be borne equally by the Board and the Association. All other costs, including the expenses and compensations of any witness or participant in the arbitration shall be paid by the party calling such witness, requesting such participants or contracting such services.

ARTICLE 12 - COMPLAINT PROCEDURE

- A. If a complaint is made against a teacher to the administration, such complaint shall be processed under the following circumstances:

1. If an administrator or supervisor intends to make a record in the evaluation report of a complaint received concerning the teacher;
 2. If an administrator or supervisor intends to place a record of such complaint in the teacher's personnel file;
 3. If the administrator or supervisor intends to take disciplinary action against the employee as the result of a complaint.
- B. Pursuant to Section A, a conference shall be held with the teacher within ten working days after the complaint is made to the administration. At the conference, the teacher will be apprised of the substance of the complaint and the identity of the complainant. The teacher has the right to have a representative present during the conference. Depending upon the nature of the complaint, the administrator may attempt to assist the parties in resolving the complaint or the administrator may choose to investigate the complaint, or both. The administrator may present the complaint verbally or in writing. However if the teacher or teacher's representative requests it, the complaint will be reduced to writing if the administrator has not already done so.
- C. If the teacher wishes to meet with the complainant, the administrator shall attempt to arrange the meeting.
- D. Copies of all written documents produced as a result of the processing of a complaint will be given to the affected teacher. This would include the complaint, any investigation reports, the written resolution or summary and any other similar document.
- E. Any such complaint which the administration chooses not to discuss with the teacher, which is not discussed with the teacher within the required time or which is found to be without merit shall not be considered in the teacher's evaluation, shall not be placed in the teacher's personnel file and shall not be used against the teacher in any subsequent action by the District.
- F. The District will comply with Weingarten rights of representation as interpreted and applied by the Employment Relations Board.
- G. The teacher shall have the right to attach a written statement to any written material placed in the teacher's personnel file.
- H. A meeting will take place within two working days or five calendar days, whichever is shorter.

ARTICLE 13 - PERSONNEL FILES

- A. All teachers have the right, upon request, to review the content of their own personnel file.
- B. No evaluation document, disciplinary document or complaint will be placed in a teacher's personnel file unless the teacher has been furnished a copy thereof and an opportunity to review the material. Normally, proof that the employee has been given a copy will be obtained by having the employee sign or initial the file copy acknowledging receipt or having the supervisor state on the file copy that the employee has been shown the material and has refused to sign it. The teacher will have the right to submit a written response to such material and his/her response shall be reviewed and acknowledged by the Superintendent and attached to the teacher's file.
- C. Upon mutual agreement between the teacher and the District, employee discipline and the charges which resulted in the discipline shall be considered stale after 36 months, so long as no other discipline for the same type of conduct occurs within that time period. A stale document may not be used to support progressive discipline, non-renewal, non-extension or dismissal.

- D. The original documentation of any oral or written disciplinary action which is subsequently reduced in severity or eliminated through the grievance process or any personnel process may not be placed or retained in the employee's personnel file unless both the District and the employee agree.

ARTICLE 14 - LAYOFF

- A. The District and the Association recognize and agree on the following job security provisions in the event of a layoff:

This layoff Article shall apply to all releases, layoffs or terminations for reduction in force reasons.

The District shall retain its sole discretion to decide whether a reduction in force shall be undertaken. However, when considering an actual reduction in force, the District will provide notice to the Association as soon as the District knows that a reduction in force is under consideration. The Superintendent will seek input from the licensed staff prior to making any recommendation to the Board.

- B. The Board will determine when a reduction in force is necessary and which programs and teachers will be affected. When the Board determines a layoff is necessary, it will discuss the matter at a regular or special meeting of the Board and will consider such factors and alternatives it deems necessary to arrive at a decision. A layoff may take place under the following conditions:
1. Inability to levy a tax sufficient to provide funds to continue the District's educational programs;
 2. Elimination or adjustment of classes due to an administrative decision;
 3. Other reasons as defined by the Board.
- C. Order of Layoff.
1. Where existing members of the bargaining unit cannot be transferred to other positions for which they are licensed through every reasonable effort, the District shall lay off teachers in accordance with ORS 342.934.
- D. Recall Procedures.
1. A contract teacher who is recalled shall retain contract status obtained before the layoff under this Article. A probationary teacher who is recalled shall be credited for the number of years taught prior to the layoff for purposes of qualifying for and obtaining contract status.
 2. Within fifteen days of notification of the intent to layoff, a teacher will provide written notification to the District of his/her desire to return to the District if recalled. Written notification must also include the teacher's address for recall notification.
 3. Employees shall be recalled in the inverse order of layoff, subject to the requirement that the teacher be licensed for the position at the time of recall. If at any time during the 27-month recall period the teacher's certification status changes, it is the teacher's responsibility to so inform the District. Failure to do so will result in the teacher being recalled only to those positions for which he/she was certified at the time of layoff.
 4. In the event of a recall, the District shall notify the teacher who has expressed a desire to return to the District of the recall by certified mail, return receipt, sent to the last address given by the teacher to the District office. Any teacher laid off under this Article and qualified as per paragraph 3 above shall have the right of recall for a position for which the person is licensed for a period of 27 months from the date of layoff subject to the following provisions:

Acceptance of Recall. The teacher will have fifteen calendar days from the receipt of notice of recall to notify the District of intent to return. The teacher must thereafter report on the starting date specified by the District providing that this will not be less than fifteen days from the date the notice of recall was received or lose all recall rights.

Refusal of Recall. If a teacher refuses recall, that person's recall rights shall not be affected within the 27 months. The person shall remain on the recall list.

Failure to Respond to Recall. Failure to respond within fifteen days from the receipt of notice of recall shall terminate such teacher's employment as a voluntary resignation. An undeliverable letter will be considered a failure to respond.

5. All benefits to which the teacher was entitled at the time of layoff, including unused accumulated sick leave, will be restored to the teacher upon the teacher's return to active employment, and the teacher will be placed on the proper step of the salary schedule. A teacher will not receive increment credit for the time spent on layoff unless the teacher was employed by an accredited school district as a teacher for a period of time equal to a majority of the District's work year, nor will such time count toward the fulfillment of time requirements for acquiring permanent status. Employee benefits do not accrue during the time of layoff.
 6. Teachers covered by this Article will have the option to continue insurance programs at their own expense once District coverage has expired, subject to the approval of the insurance carrier and the provisions of Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA).
 7. Teachers covered by this Article will be given consideration for substitute teaching; such will not affect teacher recall rights.
- E. **Board Hearing.** A teacher who is laid off may request a hearing before the Board. This meeting will take place at the next regular Board meeting following the request.
- F. **Appeal.** Any appeal regarding the Board's decision on layoff or recall shall be by arbitration under the rules of the Employment Relations Board. Appeals from multiple reductions may be considered in a single arbitration. The decision of the arbitrator will be final and binding on all interested parties as long as the arbitrator's decision is within his jurisdiction. The arbitrator is authorized to reverse the layoff or recall decisions made by the District only if the District:
1. Exceeded its jurisdiction;
 2. Failed to follow the procedure applicable to the matter before it;
 3. Make a finding or order not supported by substantial evidence in the whole record;
 4. Improperly construed the applicable law.

ARTICLE 15 - STRIKES AND LOCKOUTS

- A. During the term of this Agreement, the District shall not, as a result of a labor dispute with the Association, lock out any employee covered by the terms of this Agreement. The foregoing shall not be construed to place any limitation or restriction on the District's right to lay off employees.
- B. During the term of this Agreement, the Association or its members will not participate in any strike, slowdown or other concerted activity to include the observance of the picket line of another labor organization on, or access to the school District's property. Notwithstanding the above, the District may also discipline, including discharge any individual employee involved in any of the above-defined prohibited activities.

ARTICLE 16 - TEACHER/DISTRICT LIAISON

A joint committee of equal numbers from the District and from the members of the bargaining unit will be established to provide a more direct and meaningful line of communication between the parties. The members of this committee will act strictly in an advisory capacity. However, problems or conditions that exist in contract or policy interpretation matters and other labor/management issues may be discussed to enhance a two-way flow of information and effective action resulting from group collaboration. A problem is defined by either side. If a problem is brought to the group and if it is resolved, it will be reviewed for approval by the Association and the District.

The committee will meet at mutually agreeable times and places. The frequency of such meetings and the agenda for each meeting will be established by mutual agreement of the members of the committee. The Superintendent and the president of the Association will be responsible for establishing the first committee meeting.

ARTICLE 17 - GENERAL PROVISIONS

- A. Modifications to Agreement. If the District considers adoption of policy which affects wages, hours, terms, benefits and other working conditions of employment which are not covered by this Agreement and have not been proposed by the Association, the Board shall notify the Association that such changes are being considered. If the Association desires to negotiate on the proposed changes, the Superintendent will be notified within ten days.
- B. Separability. If any provision of this Agreement is held to be invalid by operation of law or by any tribunal of competent jurisdiction, or if compliance with or enforcement of any provision should be restrained by such tribunal, the remainder of the Agreement shall not be affected thereby, and upon the request of either the Board or the Association, the parties shall enter into negotiations for the purpose of attempting to arrive at a mutually satisfactory replacement provision.

ARTICLE 18 - DURATION OF AGREEMENT

- A. This Agreement shall be effective as of July 1, 2024 and shall be binding upon the Board, the Association and the people it represents, and shall remain in full force and effect through June 30, 2025.
- B. It is the intent of both parties to begin negotiation of a successor agreement on or before December 15, 2024.

EXECUTION/SIGNATURES

Executed this _____ at Nestucca Valley School District by the undersigned representatives appointed by each party to represent their interests in negotiating this Agreement.
