JOB SUMMARY: The ENGAGE Teacher is part of the Prospect School District Student Services Team who strives to increase one-on-one and small group executive function coaching sessions focused on helping students to build the skills necessary to succeed in school. The Instructor leads with collaborative problem solving and is responsible for providing timely feedback and communication to the school community. This perspective and skillset will help students develop and refine the skills they need to become motivated, independent, and confident learners. The instructor will teach students how to learn, employing methodology that is specifically designed to instill critical thinking skills, learning strategies, and problem-solving skills that students can apply across multiple disciplines. The ENGAGE Teacher takes time to get to know each student and to develop a personalized learning plan to meet each student's needs. By helping students find academic success early and often, students increase self-confidence and enhance intrinsic motivation, which sets them on a path toward achieving their full potential in school and throughout their lives.

RESPONSIBILITIES AND DUTIES:

- Plan and prepare lesson plans and instructional materials
- Have to be a solid communicator and understanding collaborative problem solving
- Evaluate, prepare, and develop individual developmental systems of support for students based on need
- Deliver engaging lessons to diverse groups of students using coaching methodology
- Collaborate and communicate on a high level with students and teachers
- Monitor and assist students with their social and emotional development
- Track student progress by maintaining accurate, complete, and timely records of student data
- Attend and participate in department, school, district and parent meetings
- Maintain professionalism at all times
- Participate in in-service and professional development opportunities as assigned by administration
- Maintain a clean and orderly teaching space
- Perform all other related work delegated or required to accomplish the objectives of the total school program
