

EMPLOYMENT POSTING

Special Education Teacher
Grades 6-8
Dayton Junior
2024-2025 School Year

Dayton School District is seeking a licensed special education teacher to work collaboratively with the Junior High Team. In this role, you will be designing and implementing specially designed Instruction either directly or through paraprofessionals while building positive relationships with students and the school community. A strong ability to meet deadlines and follow the requirements of special education law through case management duties of students on IEPs is an essential piece to this position. Effective methods for supporting general education teachers and staff in their work with students on your caseload will also be important. An ability to build and positively manage relationships with both parents and external service providers is needed. Salary is based on experience and placement on the licensed salary schedule. Please contact Eric Palacios, Director of Student Services for any additional information or questions in regards to this position (503)-864-2217.

The District offers a comprehensive benefit package including family coverage for medical, dental and vision, paid sick leave, personal and bereavement leave, and a professional development program. Extra-curricular/coaching opportunities available.

Schedule: Full Time

Positions Available: 1

Physical Demands: The employee is frequently required to walk; sit; and use hands for fine manipulation, and reach with hands and arms. The employee is occasionally required to stand and stoop, kneel, crouch, or crawl. The employee must occasionally lift and/or move up to 60 pounds

Community and District Information:

District Statistics: NCES

Community Description: Dayton School District is a rural district located in western Oregon's scenic Mid-Willamette Valley, between McMinnville and Newberg. The staff works with parents and other community members to provide a learning environment which leads to progress and success in all academic areas and encourages students to become well-rounded citizens. The student population of approximately 1,000 is served by a grade school, a grades 6 - 8 junior high, and a high school. The school district draws people into the community who want a strong educational system with a rural sense of caring and teamwork. Dayton was recently named an Innovate Oregon community. The mission of Innovate Dayton is to "Open the Door of Opportunity" for our students and community of Dayton. Schools, community members and local industry are partnering to reimagine our schools as centers of inspiration for learning. Innovate Dayton is a strategic initiative to create new economic opportunities in our community by empowering all of our students and community members as innovators.

EEO and ADA Information: Dayton School District is an Equal Opportunity Employer.
