

Welcome to Wallowa!

The Wallowa School District is home to about 200 students and is served by 38 staff members of which 21 are licensed employees, 14 classified employees, 1 confidential employee, and 2 administrators. The elementary school, middle school, and high school reside on the same campus, which provides a unique opportunity for collaboration and unity between students and staff. Small class sizes provide students with a high level of support and Wallowa staff pride themselves on knowing their students and families well.

The District has a general fund budget of about \$4.1 million and passed a capital improvement bond of \$7M in 2021 and received a \$4M matching state grant.

Wallowa High School is the only accredited high school in Wallowa County. The district has received recognition for strong CTE and Career Pathways Programming, including Health Occupations,

The Wallowa School District is located in the beautiful town of Wallowa, Oregon in Wallowa County. Wallowa County is home to the Eagle Cap Wilderness, glacial lakes, snow-capped mountains, and the wide-open spaces, ranches, and farms of Eastern Oregon. Wallowa county is the gateway to Hells Canyon. Outdoor recreation opportunities abound!

Wallowa School District

Students First -
Ensuring High Levels of
Learning and Growth
for EACH Student!

Our Vision!

Students First -
Ensuring High Levels of
Learning and Growth
for EACH Student!

Wallowa Schools Focus on Learning and Growth

● *Response to Intervention (RTI) and Multi-Tiered Systems of Support (MTSS)*

RTI is embraced K-12, with master
schedules prioritizing learning and
systems of intervention support.

Students are released early on Monday
afternoons to provide time for teacher
PLC teams to meet, review student
learning and plan for intervention and
enrichment. RTI work embraces PBIS
and prevention in addition to academics.

● **Career Technical Education (CTE)**

Wallowa schools are committed to
career connected learning and CTE
programming. Pathways in health
occupations, natural resources/forestry,
and agriculture provide learning
opportunities for student.
