Cultivating Oregon’s Earliest Learners: Essentials, Partners, and System Design

Interested in seeing your school district’s results soar? Dreaming of a day when all children are lifelong learners in Oregon? Curious about how you can make a significant impact upon such lofty goals? Answer: Start early! Come learn about the essentials needed for every child during their earliest years that support learning at all ages, explore the top ten things that every school principal ought to know about early learning in Oregon, and learn to navigate the newly emerging system supporting this important work.

Presenters: Denise Swanson, Early Learning Hub Manager; Margie McNabb, Early Learning Professional Development Specialist
